

UNHCR Pakistan

Skill Development Program

2020

Application Open till 31st May 2020

UNHCR Pakistan in collaboration with National Vocational & Technical Training Commission (NAVTTTC) is enhancing its support to Afghan refugees and Pakistani host families in livelihoods development to make a safe and sustainable living through Skill Development Program. The selected individuals will be provided with marketable skills in reputed Technical and Vocational Education Training (TVET) institutes across the country, empowering them to meet their basic needs and contributes to their dignity through employment & self-employment. The selected trainees will be paid PKRs 3,000 monthly stipend during 06-month training and toolkits will be provided in NAVTTTC's prescribed trades after completion of training program.

Free Admission	Free Training	Internationally recognized certificate	Free Toolkits	Monthly Stipend
-----------------------	----------------------	---	----------------------	------------------------

On the Job Training opportunity is also available for the refugee youth, who had already graduated from NAVTTTC and UNHCR Skill Development Projects in 2018 and 2019.
