

# CAREC University Startup Generator 2024

Central Asia Regional Economic Cooperation (CAREC) is organizing “CAREC University Start Up Generator 2024” Competition. The USG2024 uses a project-based learning methodology that will provide students with practical experience in applying problem-solving techniques and developing solutions for real-life problems. The competition aims to cultivate start-up culture among university students, provide opportunities to experience entrepreneurship and potential employment in future.

If you are a university student at any level with a brilliant startup idea, here’s your chance to do that and take it beyond Pakistan.

Apply today and get a chance to take your startup to a global level. **Last date for registration is 30<sup>th</sup> June 2024.**
