**Subject: ACCREDITATION OF TRAINING PARTNERS WITH NAVTTTC**

Dear Training Partner,

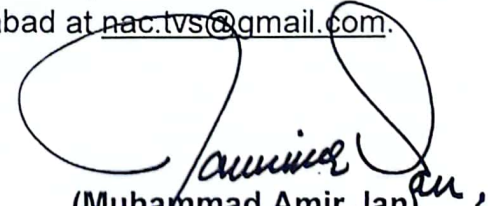

I am writing to urge all Technical and Vocational Education and Training (TVET) institutes, who are partners of NAVTTTC in the Prime Minister's Youth Skill Development Program, to apply for accreditation with the National Vocational and Technical Training Commission (NAVTTTC). Accreditation is a crucial step in ensuring the quality and standards of TVET programs, and it is essential for the growth and development of our nation's workforce.

2. NAVTTTC accreditation is a mark of excellence, and it demonstrates a commitment to providing high-quality training programs that meet industry standards. Accreditation will be mandatory for future opportunities for institutes to access funding, resources, and partnerships that can help them improve their programs and services.

3. Moreover, accreditation with NAVTTTC provides a competitive edge in the market, and it increases the employability of graduates. Employers recognize and respect the NAVTTTC accreditation, and it gives them confidence in the skills and knowledge of TVET graduates.

4. I strongly encourage all institutes in the TVET sectors to apply for NAVTTTC accreditation and take advantage of the benefits it offers. The application process is free of cost, straightforward, and NAVTTTC provides guidance and support throughout the process. All institutes are encouraged to apply online for accreditation at <https://ams.nac.gov.pk/public/apply>.

5. If you have any question or need further information, please do not hesitate to contact the Accreditation Section in NAVTTTC, HQ, Islamabad at [nac.tvst@gmail.com](mailto:nac.tvst@gmail.com).
